

ICE - CUVÉE ESPECIAL

D.O. CAVA

Many of us like our drinks to be extra refreshing, especially in summer whilst relaxing with friends.

Our new Freixenet ICE edition has been especially created to be enjoyed in a lovely big glass over great chunks of ice.

Our wine makers have enriched our blend of classical Cordon Negro grapes with Chardonnay to make it more intense and balance the chill of the ice.

Coupage Macabeo, Xarel.lo and Parellada, with a touch of Chardonnay.

Dosage 45 g/l - SEMI SECO
Alcohol: 11,5%

Ageing Freixenet ICE has been ageing under the cellars of Freixenet for 12-14 months.

Tasting note Fine bubbles combined with a nose of peaches, ripe pears, flowers and nuances of tropical fruits. The palate is creamy yet sweet with a long finish.

Recommendations For perfect enjoyment, serve it in a large glass over ice or try mixing it with your choice of extra flavours to enhance its intensity.

Freixenet ICE - it's the new cool way to get an extra refreshing drink. Look for it in the eye-catching white bottle.
