RED WINE

FRUITY & FULLBODIED

Made from 100% Tempranillo Spanish grapes, our red wine is rich and fruity with hints of plum and red berries. The wine is not barrelled in oak so that the flavor of this wonderful grape can shine through. Ruby-red and silky smooth, this is like a great kiss that you never forget.

BLEND
100% Tempranillo

ANALYSIS
Alcohol: 13,5% vol.
Acidity: 3,30 g/l
Dosage: 14 g/l

TASTING NOTE
Intense ruby red in colour with tones of violet-blue, colours typical of a young red wine. The nose has good intensity, with plenty of black fruits, notably plums and blueberries, as well as floral aromas of violets, and hints of orange peel. This is a classic Tempranillo truly expressing the flavour of its terroir. Rounded on the palate with ripe woodland fruits, soft ripe tannins and an excellent balance between acidity and sweetness.

GLORIA'S TIP
Mía Red is great to have with tapas, meats, pasta and grilled vegetables. It can be served at room temperature or slightly cooler.
