

WARWICK WINE

WHITE LADY 2020

VARIETAL:

100% Chardonnay

WINEMAKING:

Specifically, selected Stellenbosch sites, two on the Helderberg, that add more freshness and acidity and one from Warwick on a warmer West facing slope of the Simonsberg, adding textural and structural elements to the wine. All three vineyards are picked separately at different ripeness levels to add complexity. Whole bunch pressed and juice allowed to clear naturally before transferred to 228L Burgundian French oak barrels, for fermentation. 23% new oak, 29% second fill, 25% third fill, 13% fourth fill and the balance in neutral oak. Barrels are rolled once a month for nine months before a tight selection process and blending early in 2021. Light filtration before bottling in February 2021.

FOOD PAIRING:

Grilled line fish with roasted tomatoes and fresh greens.
