

LION'S HILL
WINE COLLECTION

SWARTLAND WINERY

LION'S HILL Chardonnay

APPEARANCE

Pale straw colour. Clear and bright.

NOSE

A forthcoming, complex nose with butterscotch and lime on the fore, as well as dried fruit and winter melon.

PALATE

The wine is made in a fresh, light style. A complex wine with fresh acidity and a creamy mouth-feel. The nose follows through on the palate with upfront butterscotch aromas, winter melon and hints of peach. A well-balanced wine, light enough to enjoy more than one glass.

FOOD SUGGESTION

This wine will complement richer dishes like a fish pie and fish cakes or a mild curry with a buttery sauce.
