WINE OF ORIGIN

Western Cape

ABOUT THE AREA

South Africa's vineyards are mostly situated in the Western Cape near the coast. This is the southernmost region of the African continent, and has a Mediterranean-type climate and diverse soils that are perfectly suited to quality grape production.

WINE DESCRIPTION

The wine has upfront tropical and fruit aromas with typical Muscat flavours, which carry through to the palate. The wine is soft and smooth with a fine mousse that lingers - all perfectly integrated for pure enjoyment.

SERVING SUGGESTION

Enjoy this wine on its own, with fruit salads, various desserts or slightly spicy Asian cuisine. It will show best when the wine is well chilled.
