

# SPIER GOOD NATURED ORGANIC | ROSÉ

2024

35% Merlot / 25% Grenache Noir / 14% Malbec/ 14% Pinotage/  
12% Shiraz

## TASTING NOTE:

Each wine has been organically crafted to live up to the high standards for which Spier is known. This rosé is crisp and refreshing, offering strawberry, sour cherry and floral notes that are followed by a touch of citrus and vanilla on the delicate palate.

## SERVE WITH:

Excellent on its own or with salads and lighter dishes, such as smoked salmon tartare, sushi and mild cheeses.

## APPEARANCE:

A beautifully iridescent, pale pink

## ANALYSIS:

Alc: 12.79 % vol      TA: 5.3 g/L  
RS: 2.1 g/L              pH: 3.43

## WINEMAKER:

Tania Kleintjes

## ORIGIN:

Western Cape

## TERROIR / SOIL:

The 15 to 20-year-old trellised vines are farmed to international organic standards in deep, fertile, decomposed granite soils with a high percentage of clay. These ancient soils have great water retention abilities but are supplemented with drip irrigation. Foliage and weeds are managed mechanically, creating favourable conditions for natural protection from disease. This avoids the need for environmentally damaging chemicals. The average annual rainfall for these vineyards ranges between 450 mm and 500 mm.

## WINEMAKING:

The organically grown grapes were harvested at optimal ripeness, destemmed and crushed into stainless-steel tanks to retain freshness and concentrate intense fruit aromas. No skin contact was given, with a low-intervention approach used throughout the winemaking process. The juice was fermented in temperature-controlled stainless-steel tanks and allowed to mature for four months on its gross lees to enhance its structure before bottling.
